Job Description

Ready for a change? Looking to be part of a rapidly growing firm with significant UXO work? Join Apex Companies, LLC, named a Zweig White HOT FIRM for the past 3 years and an ENR Top 200 Environmental Firms for the past 10 years!

Apex Companies, LLC, a national provider of environmental, health, safety, and engineering services, is seeking a self-motivated, multi-faceted professional to manage unexploded ordnance project field operations. This position is ideal for those who thrive in a dynamic and energetic work environment that encourages technical innovation and creativity and who are interested in becoming part of a very successful consulting firm.

This position requires 8 years experience supervising UXO remediation field operations and staff. We are seeking articulate, safety-minded UXO professionals with a hands-on approach to running UXO remediation projects. Experience with public and client relations is definitely a plus.

Join our Team of Excellence. Competitive pay, bonuses, and benefits. Our entrepreneurial approach, national presence, technical resources, comprehensive services, and outstanding reputation are driving our growth at a phenomenal pace! Interested in sharing our success in the UXO market?

Submit your resume with pay requirements to maxjobs@apexcos.com.

Apex Companies, LLC, is a growing environmental consulting and engineering firm comprised of professional, technical, and field experts. With 340+ employees, and 21 office locations throughout the United States, we are a mid-sized company experiencing continued expansion that has resulted in profitable growth.
