

Excerpts from **H.R.5658**
Duncan Hunter National Defense Authorization Act for Fiscal Year 2009
(August 2008)

**SEC. 359. SENSE OF CONGRESS REGARDING PROCUREMENT
AND USE OF MUNITIONS.**

It is the sense of Congress that the Secretary of Defense should--

(1) in making decisions with respect to procurement of munitions, develop methods to account for the full life-cycle costs of munitions, including the effects of failure rates on the cost of disposal; and

(2) undertake a review of live-fire practices for the purpose of reducing unexploded ordnance and munitions-constituent contamination without impeding military readiness.
