**Columbus, Georgia** A 26 year old man was charged with possession of a destructive device after police found a M115A2 flash bang grenade simulator at the man's house. Since the item was of military origin, Police called the EOD unit from Fort Benning to remove and dispose of the grenade.

The 789th EOD unit safely relocated the item to the Muscogee County Sheriff's Office Training Center where it was disposed of. An investigation is underway to determine how that man ended up with the flash bang simulator.
