The FY14 Military Munitions Support Services (M2S2) webinars are almost upon us. Please be sure to register at <http://www.clu-in.org/live/>

FY13 was the inaugural year for the Military Munitions Support Services (M2S2) webinar series and industry participation helped make it a tremendous success.

For FY14, each webinar will be organized around a central M2S2 theme and will offer a variety of subject matter experts speaking on specific topics related to the theme.

The schedule and theme for the FY14 M2S2 webinars is shown below starting with the **December 19** webinar on quality.

- 19 December 2013 - "Quality"
- 4 February 2014 - "MMRP Objectives - DQOs & RAOs"
- 25 February 2014 - "Munitions Classification"
- 24 April 2014 - "Munitions Constituents"
- 24 June 2014 - "MMRP Tools"
- 21 August 2014 - "Explosives Safety"

All of the webinars will begin at 1:00 p.m. Eastern time. The duration may vary depending on the session's theme but the webinars are tentatively scheduled to run for a little over 3 hrs.
