Baltimore, Maryland The USACE Baltimore District has released the long awaited Military Munitions Services (MAMMS) III, Munitions and Environmental Response Services solicitation. The scope of work covers MEC and Munitions Constituents (MC) investigations, operational range support clearance, construction support for the Range and Training Land Program (RTLTP), and Hazardous Toxic Radioactive Waste (HTRW) investigations and remediation.

The District plans to award eight IDIQ contracts with a total shared capacity of \$240 Million, including a Small Business reserve of a target of four (4) contracts. The IDIQ contracts will consist of a five (5)-year base ordering period with two options for 1 year each for a total potential contract period of 7 years.

Unlike previous MAMMS contracts, there are no set asides or partial set asides for SDVOB, Hub Zone, or 8A companies. Proposals are due under solicitation [W912D-R-0051](#) on 19 May 2020.
