UXO TECHNICIANS NEEDED - ABERDEEN PROVING GROUND (APG), MD - MULTIPLE POSITIONS

Ordnance Holdings, Inc. (OHI) is looking to fill multiple projects at Aberdeen Proving Ground, MD for UXO Technicians II and III as well as UXO Safety Officer positions.

Jobs vary in length from a few days to a few months. Prefer to have UXO Technicians that are within driving distance (i.e., a few hours from the installation).

For APG projects - all UXO technicians must be former military EOD (i.e., graduates of NAVAL EOD SCHOOL). Experience at APG is preferred but not required.

Please call me for more details on the opportunities including details on pay and incentives **(443) 857-7474**.

Thanks and stay safe.
