Federalsburg, Maryland The Federalsburg Police Department and Maryland State Fire Marshal Bomb Squad responded to a vacant residential house for a report of a military ordnance.

According to the Maryland State Fire Marshal's Office, "the property manager was removing debris from the backyard when he unearthed the military ordnance. He notified the police who contacted the bomb squad."

Bomb Squad personnel determined the military ordnance to be a 75 mm armor piercing (AP) round which contained no explosive components. They removed the military ordnance from the property for proper disposal.
