Season's Greetings UXOInfo.com Readers,

As the holiday season is upon us, I want take a moment to pay tribute to all the troops protecting and supporting our great country by keeping us all safe. I know many of you cannot be home for the holidays, so please know that this and all the other sacrifices you make each day do not go unnoticed. Thank you for your contributions to making this world a better, less dangerous place.

I also want to recognize all the UXO technicians who work hard throughout the year, spending countless days away from their families, especially during the holiday season. Without you, the industry would not exist. You are the lifeline that makes it successful year after year.

Finally, I would like to wish everyone peace, joy and prosperity throughout the coming new year. I thank you for your continued support and look forward to working with you in the years to come.

Best wishes for a very Happy Holiday and a safe, joyful New Year,
