**Marpi, Saipan** Marcelino "Max" Aguon made a startling discovery while cleaning the parking area of the Grotto in Marpi a WWII UXO. Aguon's boss, Ray Sablan of Parks and Recreation, who was also at the site at the time, notified authorities of the find.

A Department of Fire and Emergency Services specialist responded to remove the unidentified ordnance for proper disposal. Aguon took the opportunity to remind community members who may find ordnance to call 911 immediately. Do not touch or disturb it, he said.
