**San Jose, Costa Rica** The Minister of Interior, Police and Public Safety held a ceremony to mark the completion of the 2nd phase of the destruction of obsolete munitions. During the completed phase, over 300,000 munitions of various types and calibers were destroyed in 107 OB/OD operations.

Since March 2011, over 900,000 munitions have been destroyed which includes the phase 1 and phase 2 efforts. New munitions and weapons destruction projects are slated for Honduras and El Salvador in the near future.
