In these days where our country seems so divided on the political front, one thing we can and should all agree on as Americans is to appreciate the freedoms that veteran's have afforded us all. In the words of late President Ronald Reagan, "Veterans know better than anyone else the price of freedom, for they've suffered the scars of war. We can offer them no better tribute than to protect what they have won for us" (1983).

Please take a moment to thank a Veteran for protecting what you hold dear; Tell them you are proud of them; Make it very clear.
