Over the past 13 years, every member of the EOD Family has experienced or seen the sacrifices, consequences and cost of war. While the EOD community has faced tremendous loss, hardship and obstacles, the indivisible bond of the EOD Family remains unbroken, supported by the strength, resilience and commitment of EOD technicians, spouses, families and friends.

The EOD Warrior Foundation (EODWF) remains steadfast in their mission to serve our nation's elite warriors and their families. Now they need your help to serve our nation's EOD service members, veterans and their families; to disarm the ongoing challenges and to honor and preserve the legacy of our fallen EOD warriors.

EODWF has launched the EOD Community Challenge, from September 8 --. November 17, 2014 to raise funds for the Foundation and awareness about the service and needs of the EOD Family. Their goal is to raise \$350,000 in ten weeks. You can take part in this Challenge by becoming a fundraiser as an individual or as a team. If 350 people reach their goal of \$1000 each, they will achieve this goal.

For some friendly competition throughout the Challenge, the Foundation will be awarding three great prizes to the top three fundraisers - 1st place is an all-expenses paid trip to the Caribbean.

As a Challenge fundraiser, you will receive a limited-edition "EOD Community Challenge" T-shirt; only available to Challenge participants, and other resources to support you in your fundraising efforts.

The cost to register as a Challenge participant is \$25. The deadline for registration is Monday, September 29, 2014. For additional information about the EODWF Challenge, please visit <http://eodwarriorfoundation.donorpages.com/EODCommunityChallenge2014/>.
