On this Veterans Day, please remember to thank a Veteran for the sacrifices they made in support of our great country. We especially like to thank all those who have served or are serving in EOD as it takes a unique and brave individual to accept the mission of defeating IEDs and disposing of explosive threats.

Please also keep the families most touched and impacted by the risks faced by EOD in your thoughts and prayers as you reflect back on this Veteran's Day.

In the words of late President Ronald Reagan - "We remember those who were called upon to give all a person can give, and we remember those who were prepared to make that sacrifice if it were demanded of them in the line of duty."
