UXO Global is the premier provider of Tech 1 Training.

UXO Global is proud to offer the Unexploded Ordnance Technician I course in response to the rapid growth in the Munitions Response programs worldwide. This UXO Tech 1 course was developed following the guidelines outlined in Department of Defense Explosive Safety Board Technical Paper 18 "Minimum Qualifications for Unexploded Ordnance (UXO) Technicians and Personnel," and prepares students for an exciting career in the UXO field. Candidates will endure a challenging four week course studying subjects such as safety, explosives, unexploded ordnance from around the world, range clearance operations, and more.

UXO Global also offers the candidate certification in an OSHA approved 40 hour Hazardous Waste Operator (HAZWOPER) course.

Our graduates have all of the knowledge and skills needed to immediately work as a certified UXO Tech I with the U.S. Army Corp of Engineer required HAZWOPER certification.

Upon course completion UXO Global will assist all graduates in locating jobs with the leading UXO companies in the world.
