Related Categories: Help Wanted

Ordnance Holdings, Inc. (OHI) has an openings for multiple UXO Technician positions in and around the northern Virginia / Maryland Area. Looking for UXO Technicians III and above. **In particular, UXO Safety Officer and Sr. UXO Supervisor qualified technicians needed.**

Must be able to meet DDESB Technical Paper 18, *Minimum Qualifications for Personnel Conducting Munitions and Explosives of Concern-Related Activities*, requirements for the respective position.

Experience providing UXO construction support in accordance with Navy and USACE policy / guidance a plus. Great opportunity for qualified technicians based in or around the Virginia / Maryland area. Qualified candidates from other U.S. locations will be considered but some projects are short notice making extensive travel / deployment difficult to schedule.

Projects range from a couple of days to several weeks in duration.

If you are interested in the position above and/or other opportunities coming up, please email me your resume - jenna@uxoinfo.com and/or call me for details.

Thanks and Please Stay Safe.

Best Regards,
