Related Categories: UXOInfo.com Website Update

UXOInfo.com Website Update -- A series of CWM munitions related images including several images of Chemical Agent Identification Set (CAIS) bottles were added to the UXO Photo Gallery. To view the new images click on the photo gallery link on the menu on the right then select the chemical category.

If you have any data or images related to ordnance including CWM to add to the library please email them to [information@uxoinfo.com](mailto:information@uxoinfo.com) Thank you.
